

NEEDLE & SYRINGE PROGRAM

Pharmacy Employee Accreditation Training

Needle & Syringe Program training in Tasmania is provided by the Pharmacy Guild Tasmania Branch, in association with the Tasmanian Department of Health & Human Services (DHHS).

The training and the assessment are completed online. On successful completion of the course participants will be issued with an Accreditation Certificate by DHHS which is valid for 3 years.

To enrol, enter the required details for each person below. Each person enrolled must also complete and return a copy of the attached DHHS Pharmacy Employee Accreditation Application.

Guild Members: **\$30** per person

Non-Members: **\$42** per person
